

# Shaping UBC's Next Century

Strategic  
Plan  
In Action

**177 projects** identified and allocated dedicated funding to advance the strategic plan

**21,347 students enrolled** in enhanced courses

**6 priority strategies** identified for the next 2 years:

- Indigenous Engagement
- Great People
- Thriving Communities
- Research Support
- Educational Renewal
- Interdisciplinary Education

**12 calls for proposals** launched

**\$84 million** raised towards student awards and support for enhanced educational experiences through the Blue & Gold Campaign for Students

**All faculty and school budgets** across both campuses have been aligned to the strategic plan

## Snapshot of new initiatives that have launched/are in progress\*, including:

- Indigenous Strategic Plan
